

## **ATTENTION!!!**

### **Animal health rules for racehorses in Hungary, Kincsem Park:**

- Horses have to be tested for Equine Infectious Anaemia (EIA) every year, and also for Glanders (Malleus) every 3 years. Exclusively horses with negativ serogological results allowed to participate in races.
- Horses have to be vaccinated against Equine Influenza according to the following:
  - o primary vaccination ( two vaccinations, within a minimum of 21 and maximum 92 days time period)
  - o booster vaccinations have to be given every six months (grace period is 21 days)
  - o if the last vaccination exceed the grace period (6 months + 21 days), the primary vaccination need to be repeated.

**If the animal health rules are not observed, the horse is not allowed to participate in races.**
